Dear

Bill

I am pleased to send you herewith a copy of U.S. Psychological Operations in Vietnam, by Harry D. Latimer, a monograph on National Security Affairs, produced under a grant from the Carthage Foundation of Pittsburgh, Pennsylvania to support studies in this area.

It is our hope that this will be the first in a series on National Security Affairs. At the moment we are starting a new look at the military professional. We have several other projects in mind, including an analysis of the intelligence effort in Vietnam.

If you have any comments on this study, or would like additional copies, I would enjoy hearing from you.

Sincerely,

Lyman
